1. The amendment filed on 2/3/04 has been entered.

Claim Objection

2. Claim 19 objected to because of the following informalities: Claim 19 depends on the cancel claims 8 and 9. Appropriate correction is required.

Claims Rejection Under 35 USC - 102

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-7, 10-16, 19-22 and 43-46 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by **Tylec** (5,452,027).

Tylec discloses eyeglass lens with indicia and method of making the same which comprises a marking (20a) formed on surface partially outside an effective area of the lens to distinguish between a surface and a back of the lens.

It should be noted that although claims are "method claims", the method steps consist of the broad steps of "forming", "coating" etc and therefore these steps would be inherently satisfied by the apparatus of the reference as modified.

Art Unit: 2873

4. Applicant's arguments with respect to claims 1-7, 10-16, 19-22 and 43-46 have been considered but are moot in view of the new ground(s) of rejection.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
